

Organizing Committee

Chief Patron

Prof. Binod Kumar Kanaujia, Director, Dr. B. R. Ambedkar NIT Jalandhar

Patron(s)

Prof. Anish Sachdeva, Registrar, NIT Jalandhar

Prof. Rohit Mehra, DRC, NIT Jalandhar

Conference Chairman

Prof. B. S. Saini, NIT Jalandhar

Dr. Veerpratap Meena, NIT Jamshedpur

Co-Chair(s)

Prof. Dilbag Singh, NIT Jalandhar

Prof. S. K. Pahuja, NIT Jalandhar

Dr. Indu Saini, NIT Jalandhar

Dr. Harimurugan, NIT Jalandhar

Organizing Secretaries

Dr. Gagandeep Dua, NIT Jalandhar

Dr. Madan Kumar Das, NIT Jalandhar

Dr. Arun Rathore, NIT Jalandhar

Dr. B. N. Rao, NIT Jalandhar

Dr. P. Ramakrishna, NIT Jalandhar

Technical Program Chairs

Dr. Mahesh Kumar, NIT Jalandhar

Dr. Amit Kumar Singh, NIT Jalandhar

Dr. Karan Jain, NIT Jalandhar

Dr. V. N. Nayak, NIT Jalandhar

Technical Programme Committee

Track-wise reviewer panels to be announced. Peer review coordinated by the Technical Program Chairs across all eight conference tracks.

Joint Organizing Secretaries

Dr. Saunak Nandi, NIT Jalandhar

Dr. Balwinder Raj, NIT Jalandhar

Dr. O. P. Verma, NIT Jalandhar

Dr. KaranVeer, NIT Jalandhar

Dr. Debottam Mukherjee, NIT Jalandhar

Finance Chairs / Treasurers

Dr. Harimurugan, NIT Jalandhar

Dr. P. Ramakrishna, NIT Jalandhar

Dr. KaranVeer, NIT Jalandhar

Dr. Neetu Sood, NIT Jalandhar

Dr. Madan Kumar Das, NIT Jalandhar

International Conference on

Intelligent Power, Energy and Sustainable Systems

(IIPSS 2027)

Theme: "IntelligencePoweringSustainability"

26th – 28th March 2027

IIPSS-2027 will be a "Hybrid" Conference

DR B R AMBEDKAR NIT JALANDHAR · PUNJAB, INDIA

Organized by

Department of Electrical Engineering

Dr. B. R. Ambedkar National Institute of Technology Jalandhar

Jalandhar–AmritsarGT Road,Jalandhar,Punjab,India

Website: www.iipess.org

About the Institution

Dr. B. R. Ambedkar National Institute of Technology Jalandhar is one of 31 NITs established by the Ministry of Education, Government of India. Founded in 1987 as Regional Engineering College Jalandhar, it was conferred the status of "Institute of National Importance" by an Act of Parliament in 2007. Set on a sprawling green campus along the Jalandhar–Amritsar Highway in Punjab, the institute offers B.Tech., M.Sc., M.Tech. and Ph.D. programmes across disciplines including Electrical Engineering, Electronics and Communication Engineering, Computer Science and Engineering, Civil, Mechanical, Chemical, Industrial and Production Engineering, Instrumentation and Control Engineering, Biotechnology and Textile Technology. NIT Jalandhar achieved the 46th rank in the NIRF Engineering

Rankings 2023, reflecting its strong academic and research excellence.

Department of Electrical Engineering

Established in 2013, the Department offers a B.Tech. in Electrical Engineering, an M.Tech. in Electric Vehicle Design, and Ph.D. programmes across Power Systems, Energy Systems, Control Systems and other emerging areas. The department combines highly qualified faculty with strong laboratory infrastructure to support both teaching and industry-oriented research, and its alumni hold leading positions across industry and academia in India and abroad.

About the Conference

IIPES-2027 brings together researchers, practitioners and industry experts to discuss the latest advancements in power systems, renewable energy, signal processing and artificial intelligence. Hosted by NIT Jalandhar and technically co-sponsored by the IEEE Industrial Electronics Society, the conference offers a platform to exchange ideas, present research and explore emerging trends in intelligent and sustainable energy systems — supporting the global vision of a reliable, secure and low-carbon energy future.

Conference Tracks

- T1: Power System Protection, Operation, Control and Security
- T2: Advanced Power Electronics and Drives
- T3: Energy Storage Technologies, Electric Vehicles and Future Transportation
- T4: Advancements in Smart Grids, Microgrids and Nano-grids
- T5: Signal Processing and Instrumentation for Power and Energy Systems
- T6: Artificial Intelligence (AI) and Data-driven Applications for Power and Energy Systems
- T7: Recent Developments in High Voltage Engineering
- T8: Sustainable and Renewable Energy Technologies

Instructions to Participants

- Papers should follow the standard IEEE conference template; submissions in any other format will not be considered.
- Manuscripts are submitted via Microsoft CMT:
cmt3.research.microsoft.com
- Similarity beyond 30% (with references) will lead to straightaway rejection of the camera-ready paper.
- Authors of accepted and registered papers will be invited to present their work at the conference.
- Accepted, presented and registered papers will be submitted to IEEE Xplore, subject to IEEE's standard quality review.

Acknowledgement: The Microsoft CMT service is used to manage the peer-review process for this conference, provided free of charge by Microsoft.

Important Dates

Paper Submission Opens	To be announced
Paper Submission Deadline	To be announced
Acceptance Notification	To be announced
Early Bird Registration Opens	To be announced
Last Date – Early Bird Registration	To be announced
Camera-Ready Paper Submission	To be announced
Last Date – Standard Registration	To be announced
Conference Dates	26–28 March 2027

Registration

Registration details and the fee structure are being finalized and will be published on the conference website closer to the submission deadline. Indicative categories are listed below; final amounts, GST and payment instructions will be confirmed on the registration page of www.iipess.org.

Category	IEEE Member	Non-IEEE
Student / Research Scholar	TBA	TBA
Academician	TBA	TBA
Industry		

Submission & Contact

Submission portal: cmt3.research.microsoft.com
Website: www.iipess.org
Email: to be announced (via Dept. of Electrical Engineering, NIT Jalandhar)

Organizing Secretaries

Dr. Gagandeep Dua · Dr. Madan Kumar Das · Dr. Arun Rathore
Dr. B. N. Rao · Dr. P. Ramakrishna
